I. Purpose

The purpose of this Assistance Guide is to connect New Jersey residents affected by the increasing cost of utilities with established programs throughout the state that have been designed to ease their financial burdens. The Guide lists information on many programs and agencies. Updates and verification are on-going. Updates are available at www.nj211.org.

This Guide begins with a description of the programs and services that are available throughout the state and continues with listings of local contact information and links to associated applications and income eligibility tables where it is applicable.

You are encouraged to dial “2-1-1” 24 hours a day, seven days a week if you need help in understanding and finding available assistance services. Language translation and TTY services are offered to any caller. You can also visit www.nj211.org to review the Help In Hard Times section, search the database of services in your local community or to chat live with an experienced community resource specialist. 2-1-1 will help identify with you the best local resources to fit your individual needs during times of financial distress or for life’s everyday situations.

II. UTILITY ASSISTANCE PROGRAMS

The following is a summation of the various programs that are available to consumers in the State of New Jersey. It is important to note that the 2009 income limits have changed so that more families may qualify.

Home Energy Assistance Program: helps very low-income residents with their heating and cooling bills, and makes provisions for emergency heating system services and emergency fuel assistance within the Home Energy Assistance Program. There is a federal and state program.

LIHEAP The Low Income Home Energy Assistance Program - is designed to help low-income families and individuals meet home heating and medically necessary cooling costs. This year, the application period is November 1, 2008 to April 30, 2009. To apply for LIHEAP, contact the authorized local community action agency or community based organization in your area. A list of these agencies is listed at the end of this section. For persons age 60 or over, or those who are disabled, applications may be received and returned by mail. Other households may apply by mail at the discretion of the local agency.

To be eligible for LIHEAP benefits, the applicant household must be responsible for home heating or cooling costs, either directly or included in the rent; and have gross income at or below 225% of the federal poverty level. The chart below gives specific monthly gross income maximums for FFY 2009. Persons who live in public housing and/or receive rental assistance are not eligible unless they pay for their own heating/cooling costs directly to the fuel supplier. The amount of the LIHEAP heating benefit is determined by income, household size, fuel type, and heating region. This year, the medically necessary cooling assistance benefit is set at \$200.

An eligible household that heats with natural gas or electricity may have its benefits directly forwarded to its utility company. Otherwise, in most cases eligible households directly responsible to a fuel supplier for payment of home heating costs receive a two-party check in the name of the applicant and the fuel supplier. Households whose heating costs are included in their rent receive a single party check made out to the eligible applicant. A household receiving medically necessary cooling benefits also receives a single party check.

For information about the program and LIHEAP applications or to download an application visit www.energyassistance.nj.gov or [Download the Application Form, Instructions and Required Documents](#) (PDF File)

NOTE: Please submit the completed application to your [Local Application Agency](#).

Universal Service Fund (USF) Program - The State of New Jersey created the Universal Service Fund ([USF](#)) program to help make energy bills more affordable for low income customers. The FFY 2009 LIHEAP application is also an application for the Universal Service Fund Program (USF). You apply for two benefit programs at the same time. If you are eligible, USF can lower the amount you pay for gas and electricity. To be eligible, a household gross income must be at or below 175% of the Federal Poverty Level, (please refer to income guidelines listed below), **and** pay more than 3% of its annual income for electric, or more than 3% for natural gas. If a household has electric heat, it must spend more than 6% of its annual income on electricity to be eligible. For more information about USF, contact your local application agency or go to the New Jersey Department of Community Affairs website at www.state.nj.us/bpu/assistance/programs/index.html#4.

**Low Income Heating Energy Assistance Program (LIHEAP)
Maximum Monthly Gross Income Eligibility Levels – 2009**

Household Size	Monthly Gross Income
1	\$1,950
2	\$2,625
3	\$3,300
4	\$3,975
5	\$4,650
6	\$5,325
7	\$6,000
8	\$6,675
9	\$7,350
10	\$8,025
11	\$8,677
12	\$8,854

Note: To determine eligibility for household sizes greater than 12, add \$177 for each additional member.

New Jersey Statewide Heating Assistance and Referral Energy Service, Inc. (NJSHARES) –

[NJSHARES](#) is a non-profit corporation organized to provide assistance to individuals and families living in New Jersey who are in need of **temporary** help in paying their energy bills. To qualify for NJ SHARES, a person or family must be facing a financial crisis and not be eligible for welfare. Recipients must also have a history of good-faith payments of their utility bills. Eligibility is determined by NJ SHARES local social service agencies located throughout the state. Upon approval, recipients may receive a one-time grant of up to \$700 for gas, up to \$300 for electric, or up to \$700 for electrically heated homes. You can contact NJ SHARES toll free at **1-866-657-4273** or 609-883-1626. E-Mail for general information: info@njshares.org

Lifeline Program

Lifeline is a program that offers \$225 to persons who meet the PAAD (Pharmaceutical Assistance to the Aged and Disabled) eligibility requirements or who receive SSI. This includes utility customers as well as tenants whose utility bills are included in their rent. Lifeline benefits are provided for only electricity and natural gas. Approximately 314,000 people received over \$70 million in Lifeline benefits last year. **For more information about Lifeline, call 800-792-9745.**

Winter Termination Program

This program is in effect from November 15 through March 15. The program prevents residential gas and electric customers who participate in the Lifeline, Home Energy Assistance Program (HEAP), Work First New Jersey/Temporary Assistance to Needy Families (WFNJ/TANF), Federal Supplemental Security Income (SSI), Pharmaceutical Assistance to the Aged and Disabled (PAAD) from having their gas or electric service disconnected during the winter months. The Program is administered by the Board of Public Utilities. **For more information on the Winter Termination Program, call 800-624-0241.**

Comfort Partners

The New Jersey Comfort Partners Program is designed to improve energy affordability for income eligible households. This objective is accomplished through the direct installation of energy efficiency measures, personalized customer energy education and counseling. Participants are asked to partner with the program to develop and carry out a household energy savings Action Plan. Program participants receive all efficiency measures and energy education services free of charge:

- Direct installation of cost-effective energy efficiency measures in the home (determined on a home-specific basis) which can include: efficient lighting products; hot water conservation measures (water heater insulation, water heater pipe insulation and energy-saving showerheads and aerators); replacement of inefficient refrigerators; thermostats; insulation upgrades (attic, wall, etc.); blower-door guided air sealing; duct sealing and repair; heating/cooling equipment maintenance and other dwelling-specific measures
- Comprehensive, personalized energy education and counseling

.For additional assistance, call toll-free at 1-888-773-8326 or contact your local energy provider.

2008 Income Guidelines (175% of the Federal Poverty Guidelines)			
Size of Family	Weekly Income	Monthly Income	Yearly Income
1	\$350	\$1,517	\$18,200
2	\$471	\$2,042	\$24,500
3	\$592	\$2,567	\$30,800
4	\$713	\$3,092	\$37,100
5	\$835	\$3,617	\$43,400
6	\$956	\$4,142	\$49,700
7	\$1,077	\$4,667	\$56,000
8	\$1,198	\$5,192	\$62,300

For family units with more than 8 family members:
add \$121 to the weekly income, \$525 to the monthly income, or \$6,300 to the yearly income for each additional member.

Households that receive USF, Lifeline and/or Pharmaceutical Assistance to the Aged and Disabled (PAAD) are also eligible.

The customer must also use the home as a primary residence and be the ratepayer of record with the electric or gas utility.

If your primary source of heat is oil, propane or kerosene, please contact the NJ Department of Community Affairs, Office of Weatherization at 1-800-510-3012 or see below to find the county office that serves your home.

Weatherization Assistance Program

The Weatherization Assistance Program provides free comprehensive energy conservation improvements to reduce residential heat loss and energy consumption. The 2009 LIHEAP application is also an application for the Weatherization Assistance Program and the Universal Service Fund (USF). You can apply for three energy benefit programs at the same time at the

Weatherization Assistance Program

Maximum Yearly Gross Income Eligibility Levels - 2009

Household Size	Yearly Gross Income
1	\$23,400
2	\$ 31,500
3	\$ 39,600
4	\$47,700
5	\$55,800
6	\$63,900
7	\$72,000
8	\$80,100
9	\$88,200
10	\$96,300
11	\$104,124
12	\$106,248

Note: To determine eligibility for household sizes greater than 12, add \$2124 for each additional member

III. ASSISTANCE PROGRAMS SPONSORED BY INDIVIDUAL UTILITY COMPANIES

Elizabethtown Gas

Jersey Central Power & Light Company (JCP&L)

Extended Due Date If you are at least 60 years old and receive a Social Security or pension check, or if you receive disability assistance, and your electric bill is usually due just before your monthly benefit check comes, they will extend your payment due date until after your check arrives.

Extended Payment Plan If conditions make it difficult to pay your electric bill on time, they will arrange an extended payment plan. This maintains service while you make payments more suited to your financial situation.

Military Deferred Payment Program (Call 1-800-962-0383)

This program is designed to assist customers who are having financial difficulties because their family members have been called to active military duty. Customers participating in the program may elect to defer paying either all or part of their monthly electric bill. When the family member in the military service returns home, the account will be reviewed to determine payment arrangements for the balance owed.

Customers who have switched to an alternative generation supplier may defer the charges paid to their supplier only if that supplier offers a deferred payment program. If a supplier does not offer a deferred payment program, the supplier charges must be paid each month.

USF FreshStart First-time USF customers are automatically enrolled if their past due amount is greater than \$60.00. You are required by Elizabethtown Gas to only pay your current bill on time every month for 12 months, and your past due balance will be erased. No need to apply; they will send you a letter if you are eligible.

Home Weatherization Homeowners or renters with landlord consent may qualify for home weatherization measures, such as heating system repair/replacement; refrigerator replacement; light bulbs/shower heads/faucet aerator replacement; insulation of attic, wall, rim joist; replacement of downspouts, gutters; minor wall, ceiling (drywall) repairs; weather-stripping, caulking; window, door replacement.

New Jersey Comfort Partners Provides free home analysis, energy education and weatherization measures. Eligibility is based on income. Call 1-888-773-8326.

New Jersey Natural Gas Customers

Gift of Warmth

For information on how to obtain assistance through this fund, you can contact one of the following agencies:

County	Telephone Number
Morris County	973-366-1131
Middlesex County	732-775-4442
Monmouth County	732-502-8855 or 732-775-4442
Ocean County	732-244-9041

For the Blind and Visually Impaired Raised markings can be placed on gas ranges and heating thermostats free of charge to help visually-impaired customers regulate their appliances accurately and safely. New Jersey Natural Gas also offers bills in Braille. Customers continue to receive their regular bill and receive an additional Braille bill under separate cover. You can apply for this service by calling the Customer Services Inquiry Center 800-221-0051.

For the Hearing and Speech Impaired Customers who have access to teletypewriters (TTYs) may call a special toll-free number 1-800-223-0024. The TTY service is available 24 hours a day, seven days a week.

Life-Sustaining Equipment If you use any life-sustaining devices in your home, let the company know. If there is a disruption of gas service, restoration of your service will be a top priority. You can apply for this service by calling the Customer Service Inquiry Center at 800-221-0051.

Orange & Rockland Customers

Get Well First If you're a customer of Orange & Rockland and you're hospitalized for a minimum of 10 days, Get Well First may help you qualify for a 30-day extension on your utility payment due date. Contact the company's customer service department for more information.

Payment Agreements Are Available If you're having financial problems that make it difficult for you to pay your O&R bill, they will work with you to come up with a payment agreement. In making the agreement, they consider your financial circumstances and any income limitations that you may have.

As part of a payment agreement, they discuss a down payment and work out a payment schedule you can manage. The length of the agreement and the amount of each monthly payment will be decided between you and the company. To further assist you, they will adjust this agreement later if your financial situation changes. If you qualify, installment payments may be as low as \$10 per month on the past due amount, with no down payment, plus keeping current on future bills.

Life Support Equipment (LSE) Program can help customers on electrically operated medical devices plan for an interruption in electric service. LSE Program customers are not guaranteed trouble-free service, but are given special information to help them in emergency situations.

PSE&G Customers

PSE&G Equal Payment Plan PSE&G calculates your Equal Payment amount by dividing your previous year's energy usage into 12 equal monthly payments. Your account will be reviewed every 6 months. If your energy use changes and your payment amount needs to be revised up or down, you will be notified.

Third Party Notification This program will let you know when your older, ill or disabled loved one's bill is late.

Life-Sustaining Equipment Program If you or a loved one uses a respirator, dialysis machine or other type of life sustaining equipment at home, you can receive priority power restoration if the power goes out.

For more information on any of these programs, call 800-436-PSEG (7734) or go to <http://pseg.com/help>.

Sussex Rural Electric Cooperative (SREC)

Levelized billing helps even out your monthly payments by using a 12 month rolling average of your actual consumption. This is especially helpful for people with electric heat or those who use air conditioning. You have to be current in your payments to join this program. Go to <http://www.sussexrec.com/yourbill/levelbil.html> for complete details.

Payment Arrangements If you are having trouble paying your bills, call the SREC Billing Department and inquire about establishing an arrangement in which you would agree to pay 30% of the outstanding account balance and then the remainder according to the payment schedule you work out with them. You can make only one deferred payment arrangement per twelve (12) month period.

CITGO's Low Cost Heating Oil Program

The program, being implemented in partnership with the Bolivarian Republic of Venezuela and Citizens Energy Corporation, was created in 2005 to offset a perfect storm of catastrophic events within some of the poorest and most vulnerable communities in the United States. Decreased supplies, resulting from hurricanes Katrina and Rita, led to steep increases in fuel costs while cuts in the federal Heating Oil Assistance Program placed unbearable burdens on family budgets already stretched thin.

The CITGO-Venezuela Heating Oil Program uses eligibility criteria similar to that of the federal government's Low Income Home Energy Assistance Program (LIHEAP). For information on eligibility, please contact Citizens Energy Corporation, a non-profit organization with whom CITGO is partnering for implementation of the program.

For more information call:

IV. NJ BOARD OF PUBLIC UTILITIES

The **Division of Customer Assistance** handles verbal and written disputes, interviews and information inquiries. Customers may contact the Division with complaints regarding service delays, lack of service, appliance repairs, discontinuance of service, payment arrangements, high bills, deposit requests, and incurred rates/high rates.

Emergency assistance is also available for gas leaks, fallen wires and water main breaks.

Important Phone Numbers

Toll Free Number for Utility Complaints: 1-800-624-0241 (8:30 a.m. to 5:00 p.m.)

CONSUMER RIGHTS

The following utility Customer's Bill of Rights is a synopsis of the most frequently cited sections of the New Jersey Administrative Code Title 14, Chapter 3. The Utility Customer's Bill of Rights is not meant to replace the regulations contained in N.J.A.C. 14:3 but is intended to give the utility customer a concise plain language guide to the regulations. Any application of the Utility Customer's Bill of Rights must be consistent with the regulations as contained in N.J.A.C. 14:3.

Be a smart consumer, know your rights

1. You have the right to utility service if you are a qualified applicant.
2. You shall not be asked to pay unreasonably high deposits as a condition of service, nor to make unreasonable payments on past due bills.
3. You have the right to budget billing, or payment plans if you are an electric, or gas customer.
4. You are entitled to at least one deferred plan in one year.
5. You have the right to have any complaint against your utility handled promptly by that utility.
6. You have the right to investigate your utility complaints and inquiries. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
7. If you suspect it is not working properly, you have the right to have your meter tested, free of charge, once a year by your utility. For a \$5 fee the meter test will be conducted under the supervision of the staff of the BPU.
8. You have the right to a written notice of termination, ten days prior to the discontinuance of service.
9. Residential service may be shut-off, after proper notice, Monday through Thursday, 8:00 a.m. to 4:00 p.m. A utility may not shut-off residential service on Friday, Saturday, Sunday or a holiday or the day before a holiday or if a valid medical emergency exists in your household.

10. Winter Termination Program - If you are an elderly or low income customer having financial problems paying your bill you should request the company to enroll you in a budget plan in accordance with your ability to pay. You are required to make good faith payments of all reasonable bills for service and in return are assured of the right to have gas and electric utilities service from November 15, to March 15 without fear of termination of such service.
11. If you live in a multi-family dwelling, you have the right to receive posted notice of any impending shutoff. This notice must be posted in a common area and/or sent individually to occupants.
12. You have the right to have a "diversion of service" investigation if you suspect that the level of consumption reflected in your utility bill is unexplainably high.
13. Service shall not be shut-off for non-payment of repair charges, merchandise charges or yellow page charges nor shall notice threatening such discontinuance be given.
14. You have the option of having a deposit refund applied to your account as a credit or of having the deposit refunded by separate check.

FILING A COMPLAINT

Customers may contact the Division with complaints regarding service related matters, appliance repairs, discontinuance of service, payment arrangements, high bills, deposit requests, and incurred utility or high rates. Emergency assistance is available for gas leaks, fallen wires and water main breaks. In addition to maintaining local (973-648-2350) and toll free (800-624-0241) telephone numbers, the Division utilizes an Electronic Data Interchange System, which enables major utilities to receive complaints instantaneously over high-speed data lines.

File a Complaint Online

The Division of Customer Assistance reviews online complaints daily.

- To submit your utility complaint electronically, please [click here](#).
- For cable complaints, please [click here](#).
- For slamming complaints, please [click here](#).

Written Complaints

Please direct your written complaints to:

New Jersey Board of Public Utilities
Division of Customer Assistance
2 Gateway Center, 8th Floor
Newark, NJ 07102

Request a Formal Hearing

Under the Board's Rules of Practice, [N.J.A.C. 14:1-1](#), et seq., you may file a petition which is a request for a formal hearing. For complete directions, click [here](#)

V. LOCAL COUNTY RESOURCES

(Other resources may be added as they become available. For a full list of programs and services in your community search the online database at www.nj211.org or dial 2-1-1 for assistance)

VI. OTHER STATE & LOCAL RESOURCES THAT MAY EASE YOUR FINANCIAL BURDENS

NJ Helps

NJHelps is a **free** and **easy** guide for you to determine what programs and assistance for which you and your family may be eligible. *NJHelps* will tell you where to go for help and what to bring with you, after you have answered a few basic questions. *NJHelps* can also provide you with contact information and links to valuable resources available throughout the State.

NJHelps **cannot** guarantee that you qualify for these programs. You must still apply for help by contacting and filling out the required forms for each program.

NJHelps knows about the programs listed below. *NJHelps* can tell you whether your family might be able to get help from any of these programs. Click on the program name for a description of the program. Click on the "Continue" button to begin to screen for eligibility.

NJHelps will ask a few questions about your household, income, and expenses. *All the answers are anonymous and can never be linked to you.* The typical session lasts 5 to 15 minutes depending on how many people live with you. To begin the screening process visit <http://www.mynjhelps.com/>

Earned Income Tax Credit Programs (EITC)

Both the federal and state programs are designed to provide a tax credit to citizens who work and have earned income. The credit reduces the amount of tax you owe and may also give you a refund, even if you have no tax liability to New Jersey. To learn more about the federal program, go to <http://www.irs.gov/individuals/article/0,,id=96406,00.html> or call 800-829-1040. To learn more about the NJ EITC, go to <http://www.state.nj.us/treasury/taxation/> or call 888-895-9179.

Telephone Service

Verizon Communications makes residential telephone service more affordable in its service area by offering Communications Lifeline and Link Up America services for qualified, low-income customers. For eligibility and enrollment information call NJ SHARES at 1-888 337-3339 or visit their website at www.njshares.org.

Through **Link Up America**, eligible new customers receive a 50% discount on the initial phone connection charge, with the remaining 50% paid in 12 monthly installments. Through **Communications Lifeline**, existing Verizon residential customers may be eligible to receive discounted local telephone service.

Communications Lifeline offers eligible consumers a service package that includes:

* Discounted residential phone service, including Touch-Tone service, ranging from zero to \$1.95 per month

* Opportunities to add optional features, like Caller ID, Three-Way Calling, and more

* A choice of three different local service options:

Flat Rate Service provides an unlimited number of calls within a calling area at no additional cost.

Moderate Rate Service provides up to 75 outgoing local messages of 5 minutes or less each month without additional charges. For every local message after the first 75, customers are charged 6.5 cents.

Low Use Message Rate Service provides up to 20 outgoing local messages of 5 minutes or less each month without additional charges. For every local message after the first 20, customers are charged 10 cents.

You are eligible for these programs if no one claims you as a dependent on his or her income taxes (unless you are at least 60 years old) and you receive benefits from one of these programs: Medicaid, Food Stamp Program, General Assistance (GA), Supplemental Security Income (SSI), Home Energy Assistance Program (HEAP), Lifeline Utility Credit/Tenants Lifeline Assistance, Pharmaceutical Assistance to the Aged and Disabled (PAAD), Temporary Assistance to Needy Families/Work First New Jersey (TANF/WFNJ)

OR

If you are age 65 or over and are not participating in one of the above programs and your annual income is at or below 150% of the federal poverty income level (in 2007*, that is \$15,315 for one person and \$20,535 for a 2- person household), then you qualify for **Communications Lifeline** and **Link Up America**. You can call **NJ Shares at 1 888 337-3339 -- or log onto [NJ Shares](#)** for information on enrollment.

You can find out how to enroll in Communications Lifeline or Link Up America by calling NJ Shares at **1 888 337-3339** or by logging onto [NJ Shares](#).
