Worried about lead poisoning?

LEAD-SAFE HOME REMEDIATION PROGRAM

PACO and the County of Hudson are proud to announce a remediation program for households who are at greater risk of lead poisoning. You and our family may qualify for assistance if you meet the following requirements:

- Are a tenant *or* owner of a 1 to 2 family home **built before 1978**
- The property is current on real estate taxes, water, and sewer bills
- **Occupants** household income is within the low-to-moderate income limits

Household Size	1	2	3	4	5	6	7	8
Maximum Income	\$45,050	\$51,450	\$57,900	\$64,300	\$69,450	\$74,600	\$79,750	\$84,900

The program provides the following assistance:

- Lead Inspection/Risk Assessment of your home
- Preliminary lead testing to determine if lead is present on painted surfaces
- Interim Controlled Remediation of lead-based paint hazards

Applications are available at:

PACO
390 Manila Ave,
Jersey City, NJ 07302
Monday through Friday
9AM-4PM

PACO
346 Central Ave,
Jersey City, NJ 07307
