

BUILDING GREAT FUTURES

INVESTING IN YOUTH. STRENGTHENING OUR COMMUNITIES.

SUMMER PROGRAM 2021

June 21st–August 27th
Summer School 12:30 Pick Ups Available

This summer the Boys & Girls Clubs of Hudson County is offering a socially distant on-site summer camp. Campers will have an exciting, safe, and enriching summer! Youth will be introduced to natural resources and encouraged to build their skills to recreate those resources, providing for a sustainable future. Each day will be filled with hands-on Steam activities. Other programs include Media Arts, Visual Arts, Healthy Habits/Gardening, Literacy, Computer Games and Coding, Music, Dance, and Character Development. Remediation will also be available to help combat learning loss.

Rising STARS: A summer program specifically designed for children in grades k-3 to develop self-worth, communication skills, thinking skills, literacy, academic enrichment and creativity as well as healthy living and active learning in every part of the Club experience. The program emphasizes good nutrition, regular physical activity and improving overall well-being.

Young Enterprisers: A summer program for youth in grades 4-8 focused on academic enrichment, technology, healthy lifestyles, fitness, and the world of work interspersed with fun and educational field trips. Special Summer Highlight

Teens: High school teens have a variety of options. The Teen Tech Center Summer Camp is for ages 13-18 and runs Monday-Friday from 9-5pm. Through fun workshops, teens in the Teen Tech Camp will build technologic skills, explore careers in film-making, music production, coding and graphic design. Workshops include: Photography, Photoshop, Filmmaking, Game Design, Motion Graphics, Animation, Music Production and More!!!

Program Locations:
