Managing Recovery

Step 1.

If possible, locate and secure important financial documents and keep them in your possession, i.e., mortgage, auto loan, medical insurance, etc.

Step 2.

Call the HOPE Coalition America hotline at **888-388-HOPE (4673)** to be connected with a certified financial disaster specialist

Step 3.

Connect with local Operation HOPE, FEMA, and American Red Cross representatives for next steps for short-term care and assistance.
